

# Shine A Light 2022

Virginia Cancer Specialists is proud to host its 14th Annual Shine a Light on Lung Cancer event. We will join more than 200 cities across the nation in welcoming lung cancer patients and caregivers in this supportive and special event. We will honor and celebrate those affected by lung cancer and recognize the medical advances, challenges, and hope for those with lung cancer.

**Thursday, November 17, 6:00 pm – 8:00 pm RSVP Today!**

You are invited to an evening of support at this year's Shine A Light on Lung Cancer. Our annual event offers an opportunity to learn from experts, and meet others for a time of encouragement. Guest speakers include:

Alex Spira, MD, PhD, FACP  
Medical Oncologist

Gregory S. Sibley, MD  
Radiation Oncologist

Sandeep J. Khandhar, MD, FACS  
Thoracic Surgeon

**This symposium will be held In-Person. There is no cost to attend.**

*Dinner and refreshments will be served.*

**8613 Lee Highway, Fairfax, VA 22031**

**Register by emailing: [VCSshinealight@USOncology.com](mailto:VCSshinealight@USOncology.com)**
