About the program

Join us for Myeloma Matters: A Mid-day Talk with a Doc! This virtual program brings a leading multiple myeloma doctor right to you! Join Blood Cancer United for an informative program designed to support and empower patients, caregivers, and family members with a multiple myeloma diagnosis.

Participants will learn about

- Improved diagnosis methods
- How treating myeloma has changed in the past decade
- What new therapies are on the horizon

Patients and caregivers are invited to join the conversation by submitting their questions when they register. Come for information. Stay for connection. Leave empowered.
